

TESTACCIO AREA GUIDE

Things to do in Rome | Visit our blog: blog.rome-accommodation.net

The Testaccio district can be found at the foot of the Aventino, one of Rome’s Seven Hills. This used to be the old industrial area of Rome with its origins going back all the way to Ancient Rome, while its aspect today is rather modern thanks to urbanistic works from the early 20th century. In the last decades it has been the center of a development project that created the Museum of Contemporary Art MACRO, which fills the spaces of the former slaughterhouse.

The heart of Testaccio is its market where you can find classic vendors for fresh produce as well as a number of market stands with Roman street food.

Testaccio is a great neighborhood especially well-known for its cuisine, as it is the birthplace of many Roman dishes. If you’re looking for authentic Roman and Italian food, you must go to Testaccio. The district also hosts a great number of nightclubs and pubs for all those who enjoy live music or who like to dance to the latest hits.

If this is the right place for you, make sure to reserve one of these apartments:

[SAN SABA](#) – Spacious apartment with 5 bedrooms and amazing large terrace.

[TESTACCIO](#) – Vacation apartment for small families in the heart of Testaccio and near the metro.
